Properly Measuring Your Box Spring

It is important to properly measure your box spring. **The Contour Wrap® is made especially according to your specifications and cannot be returned or exchanged.** Please use the following guidelines to measure correctly.

Width: Measure the width (in inches) of the box spring from side to side to the nearest 1/4 inch. **For Split King box springs, measure the width as one unit.*

Length: Measure the length (in inches) from the head of the box spring to the foot of the box spring to the nearest 1/4 inch.

Depth: To measure the height of the box spring, (measure in inches) from the bottom of the box spring to the top to the nearest 1/4 inch.
